

Community Dumpsters

The city pays for one recycle and two-yard waste dumpsters as well as the glass recycling. Glass recycling is serviced by Ripple Glass, not through Waste Management.

PLEASE do not place items outside of these dumpsters.

Waste Management reserves the right not to service the dumpsters if items are left outside of them. If they are full, please contact City Hall at 913-631-5300 and the clerk will put in a service ticket to have them emptied.

Break down boxes before putting them in the recycling dumpster.
